Project Description

According to the bank document, "the TA will add value to ongoing and forthcoming programs and projects by supporting DMCs and ADB's operations departments in

- (i) preparing governance risk assessments (GRAs) at the country and sector level to inform the country partnership strategy (CPS) and enable ADB's shift towards the use of country systems; and
- (ii) providing knowledge sharing solutions and institutional capacity activities in selected DMCs, responding to governance challenges of high institutional complexity, innovation and/or learning potential.

The TA is included in the 2020 management approved results-based work plan of the Sustainable Development and Climate Change Department (SDCC)."

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
