Project Description

According to bank documents:

> The TA subproject will support the preparation of the project through the conduct of feasibility studies and due diligence reports for the proposed interventions. It will identify targeted support for women in terms of their needs for agricultural inputs and production technologies, processing and value addition tools and equipment, financing, capacity building, and access to support services to address gender-based violence. It will also identify areas for capacity building support on gender mainstreaming, technical, procurement, financial management, and other capacity building needs relevant to the project

Investment Description

- Asian Development Bank (ADB)

Project contact not available at the time of disclosure.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
