Project Description

According to the bank's website, "The knowledge and support technical assistance (TA) Strengthening Policy Formulation and Implementation will help the Royal Government of Bhutan (the government) build its institutional capacity in the areas of policy formulation and implementation for effective debt management and robust macro- economic analysis including private sector participation. The TA is aligned with two operational priorities (OP) of ADB Strategy 2030, (i) (OP1) addressing remaining poverty and reducing inequalities including spatial disparities; and (ii) (OP6) strengthening governance and institutional capacity through innovative and sustainable solutions to strengthen the country's capacity in macroeconomic coordination and debt management. The proposed TA is also included in the Country Operations Business Plan (COBP) 2020 -2022."

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
