### Project Description

According to the bank's website, "The TA will help ADB support Nepal's inclusive and sustainable development with knowledge solutions and institutional capacity development. The TA will focus on knowledge solutions such as analytical and diagnostic studies to inform strategies, plans and policies; institutional strengthening; and capacity development of executing and implementing agencies especially at the subnational level. The TA was included in Nepal Country Operations Business Plan (2020 - 202) as TA: Implementation of the Nepal Knowledge Plan and later merged with Institutional Reforms for Governance Risks Mitigation and Economic Policy and Planning for Subnational Risks Mitigation and renamed as Knowledge Solutions and Institutional Reforms for Sustainable Development."

## ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
