Project Description

According to ADB project information, this technical assistance would be provided to Ministry of Public Works (MPW), Afghanistan in order to develop the institutional capacity of various transport agencies consisting of Ministry of Transport, Railway Authority, Civil Aviation Authority, Traffic Directorate of the Ministry of the Interior Affairs and Ministry of Public Works staff for further development of transport sector reforms.

PROJECT OBJECTIVES

The proposed TA will strengthen MPW in its core functions, assist in enhancing management's capacities including policy formulation, sector planning, and regulation. Considering that MPW has also been designated implementing agency for all transport sector projects, the TA will provide the needed support to project conceptualization and for administration of ongoing projects. The Government requested ADB assistance for the TA in February 2020 during the review mission.

IMPACT & OUTCOME

- Long-term prosperity through the development of efficient, cost-effective, and environmentally and socially sustainable transport infrastructure;
- Steady economic growth and increase in foreign trade driven by increased trade competitiveness
- The functionality of the PMO restored and put in a sustainable path
