#### **Project Description**

Under this project ADB is going to provide the technical support the targeted areas in terms of Strengthening Governance and Institutional Capacity. Given their inherent weak institutions, the proposed KSTA will prioritize support to low-income countries (LICs), fragile, conflict-affected and emergency situation (FCAES) countries, and small islands developing states (SIDS), as these countries have considerable need for institutional capacity strengthening.

#### **IMPACT & OUTCOME**

Governance and institutional enabling environment for sustainable growth improved

Performance of fiduciary systems and institutions in selected DMCs strengthened.
