#### **Project Description**

According to ADB website, the project aims to mitigate the significant negative economic and fiscal impact of the coronavirus COVID-19 pandemic. The government's planned fiscal stimulus package will protect essential social services, while taking credible steps to contain the spread of the pandemic and to mitigate its impact on the population. The Program was developed in close coordination and consultation with the International Monetary Fund (IMF), which confirmed in its 2020 Debt Sustainability Analysis (DSA) that the country remains at moderate risk of debt distress, with some room for concessional borrowing.
