Project Description

According to ADB website, as part of the comprehensive support of the ADB for the Government of the Philippines in responding to the coronavirus disease (COVID-19), HEAL will assist the Department of Health (DOH) in scaling up public health capacity to manage the pandemic. It will provide medical equipment and supplies and upgrade laboratories and isolation facilities at 17 DOH hospitals throughout the country. This will strengthen COVID-19-related testing, surveillance, infection prevention and control, and treatment. It will also help to improve the preparedness and resilience of the health system to handle future public health threats.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
