Project Description

According to ADB website, the loan to the Republic of the Philippines for the Second Health System Enhancement to Address and Limit COVID-19 under the Asia Pacific Vaccine Access Facility (HEAL 2). Under the rapid response component (RRC) of the Asia Pacific Vaccine Access Facility (APVAX), will provide the Government of the Philippines with timely financing for safe and effective vaccine procurement and logistics, based on an agreed list of eligible expenditures. It will supplement the initial support of the Asian Development Bank (ADB) to the government's coronavirus disease (COVID-19) response under the Health System Enhancement to Address and Limit COVID-19 (HEAL) project.

Investment Description

- Asian Development Bank (ADB)

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
