Project Description

Under this project ADB is going to provide TA to government of Afghanistan with the purpose of energy sector development.

PROJECT OBJECTIVES

The TA will provide a platform for technical discussion and dialogue among development partners and government agencies. The TA will recruit international and national experts in order to:

(i) propose the structure and mandate for the coordination platform in DABS,

(ii) develop the standard operating procedures,

(iii) prepare the terms of reference for the coordination staff,

(iv) finance the first 2 years of its operation.

IMPACT

- Energy sector's institutional capacity enhanced to improve coordination of energy investment budgeting and ensure balanced regional access (Afghanistan National Peace and Development Framework or ANPDF, 2017-2021).
- ADB Strategy 2030's operational priority related to strengthening governance and institutional capacity enhanced.

Investment Description

- Asian Development Bank (ADB)

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
