Project Description

According to the bank document, "the project will provide essential liquidity support to CMD to sustain its operations during the coronavirus disease (COVID-19) crisis.

The project will support rural livelihoods, sustain gender inclusion, and participate in food security with the production of affordable nutritious dairy products, through this period of unprecedented health, economic and social crisis. The project will not involve the expansion of the existing facilities or the development of new sites

The project is aligned with ADBs $20 billion response package to the COVID-19 pandemic. As part of this emergency package, ADB's private sector operations department has been focusing on the provision of working capital and operation expenditure financing."

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
