Project Description

This project is financed and supported by ADB and AIIB to urgently increase Uzbekistan's resilience to COVID-19 pandemics and other epidemics.

PROJECT OBJECTIVES

Under this project, Ministry of Health of Uzbekistan is going to do the testing, surveillance, equipping and refurbishing the national laboratory system, establishing an IT-based national surveillance and monitoring system, and improving and expanding the COVID-19 treatment capacity. Activities will be coordinated with, and complementary to, assistance of the World Bank, the United States Centers for Disease Control and Prevention (CDC) and the United States Agency for International Development (USAID), and fill remaining gaps in medical equipment and supplies.

Outcome & Output

The project will have the following outcome: resilience to outbreaks of COVID-19 and other epidemics reinforced.

The project will have three outputs:

Output 1 - national laboratory system strengthened;

Output 2 - national surveillance and response system established for COVID-19 and other epidemics;

Output 3 - COVID-19 treatment capacity expanded.

IMPACT

- Efficiency, quality, and accessibility of health care increased
- Human-to-human transmission of COVID-19 contained

Investment Description

- Asian Development Bank (ADB)

Contact Information

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
