## Project Description

According to the ADB, the program is aligned with the following impact: individuals reach their full potential and contribute to the social, economic and cultural development of Georgia as a sustainable knowledge-based society. The outcome will be secondary education system better equips the country's youth with the core competencies to succeed in post- secondary education and higher-productivity jobs of the future.
The policy component of the sector development program will adopt a tranche-based approach to enable strategically sequenced reforms and sustainable results relating to school autonomy and excellence, school and teacher management, modern curriculum implementation, examination and assessment that meets international standards, and cost-effective sector management. Policy actions under tranche 2 build on tranche 1 reforms and ensure their implementation.
Each program output will have policy reform and investment components reinforcing each other.

**ACCESS TO INFORMATION**

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

**ACCOUNTABILITY MECHANISM OF ADB**

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
