Specific Location	Com, Lautem, Los Palos, Iliomar, Tirilolo, and Irabere
Financial Institutions	Asian Development Bank (ADB)
Status	Proposed
Bank Risk Rating	B
Borrower	Government of Timor Leste
Sectors	Infrastructure, Transport
Investment Type(s)	Loan
Investment Amount (USD)	\$ 110.00 million
Loan Amount (USD)	\$ 110.00 million

Project Description

As stated by the ADB, the project will help the Government of Timor-Leste meet its transport sector priorities to enhance connectivity to markets and services and its social and national development agenda, through (i) rehabilitating and upgrading approximately 93.9 kilometers of national road sections of Com-Lautem-Lospalos-Iliomar and four bridges in Lospalos, Tirilolo, and Irabere in the east and the south coast areas of the country, designed for better resilience to climate change and social inclusion; (ii) improving road asset management capacity and systems; and (iii) enhancing awareness of road safety and gender-related issues within the project area. The project supports continuing efforts of the Asian Development Bank and other development partners to help upgrade and sustain the country's national road network.

Early Warning System Project Analysis

The ADB categorized the project as follows:

Environment	B
Involuntary Resettlement	B
Indigenous Peoples	B

Investment Description

- Asian Development Bank (ADB)

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
