Project Description

According to the bank's website, "the transaction technical assistance (TA) facility for Unlocking Potentials for Climate Change and Disaster Resilient Multisector Provincial Projects will provide project preparation support to two ensuing projects, tentatively comprising Hoa Binh Tourism Infrastructure Development Project and (ii) Tay Ninh Infrastructure Development and Climate Change Adaptation Project. These projects are in different sectors and are managed by provincial governments, requiring a similar set of safeguards, economic, financial, and institutional capacity assessments. The TA facility will also provide technical assistance to two selected provinces to identify climate and disaster resilient projects for ADB potential financing; and capacity building in project preparation and processing for selected provinces included in ADB's Indicative Country Pipeline and Monitoring Report 2022-2024. The TA facility is listed in the Viet Nam Country Operations Business Plan, 2021 2023."

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
