Project Description

According to ADB website, like other countries in the Asia Pacific region, the Philippines has been prioritizing the modernization and reform of its technical and vocational education and training (TVET) system to enhance competitiveness and boost human capital development. The Philippine Development Plan, 2017-2022 emphasizes the need to improve the quality of TVET training programs, integrate 21st century competencies, strengthen certification, encourage research and innovation, and forge stronger links between TVET institutes and industry to increase employability of Filipino youth.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
