Strengthening Institutional Mechanism of the South Asia Subregional Economic Cooperation Program

Project Description

According to the bank's website, "The TA will be aligned with the impact of economic cooperation and integration between SASEC member countries, and between SASEC and its neighboring subregions accelerated. The proposed outcome will be the implementation of SASEC programs, projects, and initiatives accelerated. The outcome will be achieved through the following outputs (i) national institutional mechanisms enhanced; (ii) working groups for program-, project-, and task-related initiatives and issues strengthened; (iii) SASEC Secretariat operationalized; and (iv) capacity of SASEC member countries to plan, implement, and monitor projects and initiatives strengthened."

Investment Description

- Asian Development Bank (ADB)

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
