Project Description

According to the ADB, the proposed program will support continuing reforms in customs through implementation of the Customs Reform and Modernization Plan 2021-2026 and improving trade logistics through the preparation and implementation of a new Trade Logistics Policy 2022.

The proposed program intends to sustain the reforms implemented under the SASEC Customs Reform and Modernization for Trade Facilitation Program to be complemented by policy interventions that will (i) improve supply chain of critical goods during pandemics, (ii) enhance export competitiveness , and (iii) build capacities of public and private sector.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
