Project Description

According to the Bank's website, this technical assistance will support the design and implementation of a year-round commemoration of 30th anniversary of ADB-Mongolia partnership. Commemoration will include a series of events and activities that will aim to trigger innovation and a commitment to further deepen and broaden the relationship.

ADB will jointly evaluate, with the government, the results and lessons learnt from the 30 years of working together. Beyond the retrospective cataloguing of lessons, the commemoration will also provide an opportunity to explore future needs and demands and outline some emerging priorities.

Contact Information

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
