Project Description

According to ADB website, the TA aims to develop an economic corridor development (ECD) framework and operational guidelines that reflect wider economic benefits and pertinence to the diversity of regions in Asia, particularly the Central and West Asia region, to mainstream ADB's ECD operations. The TA will enhance the existing ECD concept and definition in light of recent and global research advances in areas of regional public goods, cross-border regional development, and spatial approaches to ECD, to further increase the relevance and effectiveness of ECD in ADB developing member countries (DMCs).

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
