### Project Description

According to the Bank's website, the proposed Women Inclusive Finance Sector Development Program entails a policy-based loan component to be delivered in 2 subprograms to the Government of Pakistan (GOP) a financial intermediation loan (FIL) and a credit guarantee facility backed by a FIL to enhance women entrepreneurs access to finance and representation and voice in the economy. A central objective of the Government' of Pakistan's economic development strategy is the generation of job opportunities and enhancement of income levels as top priorities. Achieving these objectives will require substantial investments of private and public capital to accelerate economic growth, but also to ensure that future growth is inclusive of women.

### Early Warning System Project Analysis

The ADB categorized the project E&S risks as 'FI-C'.

### Investment Description

- Asian Development Bank (ADB)

The SDP is estimated to cost \$255.5 million. This includes the PBL in a programmatic approach with two subprograms of \$75 million each, totaling \$150 million, a FIL up to \$100 million and a grant allocation of \$5.5 million to support the SDP from the Asia Development Fund 13.

### Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
