### Project Description

According to the bank's website, "he project will deliver new climate-resilient water supply infrastructure to expand and improve the performance of water services. This will be supported by interventions to strengthen the water utility's operational performance and enhance its long-term financial sustainability."

---

## Investment Description

- Asian Development Bank (ADB)

---

## Contact Information

### **Baird, Alan (ADB Officer)**

Southeast Asia Department

Urban Development and Water Division, SERD

### **Executing Agency: Council for Administration of the Infrastructure Fund**

## ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
