Supporting Debt Management and Transparency - Support to Public Debt Management in Taijkistan (Subproject 3)

Project Description

According to the Bank's website, the TA subproject will have the following outcome: debt sustainability and transparency in the Republic of Tajikistan improved. ADB will leverage its experience to better support and promote sustainable borrowing practices and transparency in Tajikistan in four output areas: (i) fiscal risk management strengthened, (ii) Medium-Term Debt Strategy (MTDS) for 2023–2025 developed and implemented, (iii) government securities market strengthened, and (iv) Sustainable Development Financing Policy (SDFP) effectively implemented. The KSTA Subproject 3 will be provided entirely as a grant.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
