Project Description

According to the ADB, the Supporting Fiscal and Economic Recovery Program will help the Government of Solomon Islands implement reforms to support a resilient economic and fiscal recovery from the contraction caused by the coronavirus disease pandemic. The proposed program comprises two subprograms to promote (i) tax reform for domestic revenue mobilization, (ii) public financial management for fiscal resilience, and (iii) an enabling environment for private sector recovery.

Investment Description

- Asian Development Bank (ADB)

The World Bank co-finances the project with a USD 26.50 million grant, and a USD 3.50 million loan.

The Government of New Zealand co-finances the project with a USD 1.70 million grant, and the Government of Australia with a USD 1.25 million grant.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
