Project Description

According to bank's document, "the knowledge and support technical assistance (TA) will support the understanding and use of climat financing to promote sustainable low-carbon development in Hainan Province, People's Republic of China (PRC), in line with the objectives of the PRC's Fourteenth Five-Year Plan, 2021-2025, which targets an 18% reduction in carbon dioxide intensity and a 13.5% reduction in energy intensity during 2021-2025. The TA project will support a key strategic pillar of Strategy 2030 of the Asian Development Bank (ADB) - tackling climate change - by accelerating development with lower greenhouse gas (GHG) emissions."

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
