Improving Infrastructure Sustainability Through Better Asset Management

Early Warning System

Improving Infrastructure Sustainability Through Better Asset Management

ADB-55059-001

Quick Facts

Financial Institutions	Asian Development Bank (ADB)
Status	Active
Bank Risk Rating	U
Voting Date	2021-07-29
Sectors	Infrastructure, Technical Cooperation, Transport, Water and Sanitation
Investment Type(s)	Fund
Investment Amount (USD)	$ 1.55 million

Project Description

According to the bank's website, "This proposed knowledge and support technical assistance (TA) will enhance infrastructure asset management operations including but not limited to energy, Information and Communications Technology (ICT), transport, water and urban, and irrigation infrastructure in Asian Development Bank's (ADB) developing member countries (DMCs) through knowledge and technical support for project preparation and capacity development to DMCs. The TA is aligned with Strategy 2030 operational priorities (OPs) 2, 3, 4, and 6; the G20 principles of quality infrastructure investments; relevant Sustainable Development Goals; and the Paris Agreement on climate change."

Investment Description

- Asian Development Bank (ADB)

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
