Financial Institutions	Asian Development Bank (ADB)
Status	Approved
Bank Risk Rating	U
Voting Date	2025-12-17
Borrower	Regional - Asian Development Bank
Sectors	Infrastructure, Law and Government, Technical Cooperation
Investment Type(s)	Grant
Investment Amount (USD)	$ 0.50 million
Project Cost (USD)	$ 0.50 million

Project Description

According to the Bank’s website, Subproject (SP2) contributes to Outputs 3 and 4 of TA Cluster 0071 by enhancing the capacity of cities in selected Asia-Pacific Developing Member Countries (DMCs) to address urban challenges. Through city-to-city partnerships (C2CP), SP2 fosters collaboration between mentor and recipient cities, sharing best practices in innovative and integrated green and resilient urban development. The twinning component will target Viet Nam and Mongolia (Output 1), while the regional component of the TA will focus on DMCs with cities that need to develop and implement integrated and innovative urban solutions, covering Armenia, Azerbaijan, Bangladesh, Cambodia, Mongolia, Nepal, the Philippines, Solomon Islands, Uzbekistan, and Viet Nam (Output 2).

Early Warning System Project Analysis

According to the Technical Assistance Report, the Risk Categories are:

Environment: Not Applicable
Involuntary Resettlement: Not Applicable
Indigenous Peoples: Not Applicable

Investment Description

- Asian Development Bank (ADB)

The TA cluster SP2 financing amount is $500,000 which will be financed on a grant basis by ADB's Technical Assistance Special Fund (TASF-Others).

Contact Information

No contacts available at the time of disclosure.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
