## Project Description

According to the Bank's website, Subproject (SP2) contributes to Outputs 3 and 4 of TA Cluster 0071 by enhancing the capacity of cities in selected Asia-Pacific Developing Member Countries (DMCs) to address urban challenges. Through city-to-city partnerships (C2CP), SP2 fosters collaboration between mentor and recipient cities, sharing best practices in innovative and integrated green and resilient urban development. The twinning component will target Viet Nam and Mongolia (Output 1), while the regional component of the TA will focus on DMCs with cities that need to develop and implement integrated and innovative urban solutions, covering Armenia, Azerbaijan, Bangladesh, Cambodia, Mongolia, Nepal, the Philippines, Solomon Islands, Uzbekistan, and Viet Nam (Output 2).

## ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
