Project Description

According to the bank's website, "ADB has identified the transformative gender agenda as an effective strategy to accelerate progress in gender equality, but recognized its own limited experience in implementing solutions to address social norms. The new challenges to gender equality triggered by COVID-19 increase the relevance of ADB investing further in building operational experience on the transformative gender approach in conjunction with traditional gender mainstreaming in its support to DMC recovery efforts."

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
