Investment Amount (USD)	\$ 4.76 million
Project Cost (USD)	\$ 4.76 million

Project Description

According to the bank's website, "the regional transaction technical assistance (TA) facility will support clean energy projects for (i) project feasibility and due diligence, (ii) capacity development and implementation support, and (iii) cross-departmental green energy project pipeline development. For (i), the facility will conduct project preparation activities for the Grid Reinforcement Project with Additional Financing (Cambodia), Climate Change Policy Program (Philippines), and Power Grid Strengthening Project (Timor-Leste). For (ii), project implementation support will be provided for Sustainable and Reliable Energy Access Program (Indonesia) and Sustainable Energy Transition DAMRI E-bus Project (Indonesia). For (iii), the TA facility will develop a pipeline of green energy projects for investment under the One-ADB framework, involving collaboration among the Energy Division (SEEN) and the Regional Cooperation and Operations Coordination Division of the Southeast Asia Department, Office of Public-Private Partnership (OPPP), and Private Sector Operations Department (PSOD)".

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
