Project Description

According to the Bank's website, the proposed program will support India to consolidate and strengthen its pandemic preparedness and response (PPR) capability through a multipronged and cross-sectoral approach across central and sub-national governments. The related policy actions will lead to improved institutional capacity and mechanisms for infrastructure planning and management in the health sector and will raise India's ability to prevent and mitigate the impact of future public health emergencies and complex systemic risks.

Investment Description

- Asian Development Bank (ADB)

ADB will provide a \$340 million PBL comprising two subprograms of \$170 million each in FY2024 and FY2026 as part of the government's financing strategy.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
