Project Description

According to the Bank's website, the Strengthening Multimodal and Integrated Logistics Ecosystem (SMILE) program is a programmatically approached policy-based lending comprising two subprograms. The program aims to expand India's manufacturing sector and improve resilience of its supply chains through the establishment and operationalization of a comprehensive policy framework. Logistics efficiency will be enhanced through (i) strengthening the institutional bases for multimodal logistics infrastructure development at the national, state, and city levels; (ii) standardizing warehousing and other logistics assets to strengthen supply chains and incentivize greater private sector investment; (iii) improving efficiencies in external trade logistics; and (iv) adopting smart systems for efficient and low-emission logistics.
