Project Description

According to the bank's website, the technical assistance "will--through practical research and analysis, policy advice, and capacity building--support DMCs to advance SDG implementation by enabling them to develop and deliver more effective results-based programming. Each of the four subprojects of the TA cluster will support: (i) enhanced DMC knowledge and capacity to align programs and financing with the 2030 Agenda for Sustainable Development; (ii) increased DMC awareness of experiences and lessons to strengthen development programming that advances the SDGs; and (iii) strengthened DMC capacity for result-based project design and management."

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
