Infrastructure Development of Industrial Estates in Tripura

### Quick Facts

Countries	India
Specific Location	Tripura
Financial Institutions	Asian Development Bank (ADB)
Status	Approved
Bank Risk Rating	B
Voting Date	2022-03-21
Borrower	Government of Tripura
Sectors	Industry and Trade
Investment Type(s)	Loan
Investment Amount (USD)	\$ 2.00 million
Project Cost (USD)	\$ 2.50 million

## Project Description

According to ADB, the proposed project aims to improve infrastructure in the industrial estates in Tripura and strengthen institutional and financial capacities of DOIC and TIDCL. It will be financed through a regular loan from ADB's ordinary capital resources with an indicative amount of \$46.5 million, expected to be approved in 2023. The loan amount will be confirmed based on the (i) detailed engineering design of the selected subprojects, (ii) absorptive capacity of the executing agency and the contracting industry, and (iii) availability of counterpart funding from the GOT.

Tripura's vision is that manufacturing sector employment will be increased from 1.79% (Census of India, 2011) to 4.5% in 2030. The state has established rubber, food and bamboo parks to support existing and potential investors. It is felt that industrial cluster development has the potential to promote manufacturing growth and accordingly, Tripura Industrial Development Corporation Limited (TIDCL) has planned development of 15 industrial estates with the objective of industrial promotion, entrepreneurship development, and overall employment generation. ADB's Northeast Economic Corridor (NEEC) study report also recommended interventions for improved industrial development in Tripura through integrated approach of planning and design, and identified needs for integration of industrial infrastructure development with logistic parks, transportation and trade facilitation at various locations in Tripura.

The Government of Tripura (GOT), through its Department of Industries & Commerce (DoI&C;) as the nodal agency, has applied for financial assistance through the Department of Economic Affairs, Ministry of Finance, Government of India under the project readiness financing (PRF) facility from the Asian Development Bank (ADB) in the form of a \_loan\_ for improving readiness of Infrastructure Development in Industrial Estates in Tripura.

The PRF will ensure high readiness of the ensuing program/ project by delivering the following outputs, through mobilization of consulting services under the supervision of and coordination with the GOT, DoI&C;, TIDCL, and ADB.

Output 1: Sector strategy and investment plans prepared. Output 1 will help (i) strengthen the industrial planning/ preparing industrial strategy and promotion requirements; (ii) prepare investment plans and action plans; and (iii) prioritize key subproject and infrastructure components.

Output 2: Feasibility study, detailed engineering designs, and due diligence of priority subprojects completed. Output 2 will focus on (i) feasibility studies and preparation of detailed engineering designs; (ii) social and environmental due diligence; (iii) economic and financial analyses; gender equality and social inclusion; (iv) climate and disaster resilience; and (v) procurement risk/ capacity assessment, strategic procurement planning, contract modalities, procurement plan, contract management plan(s); bid documents, tendering and bid processing.

Output 3: Institutional capacity development strengthened. This will include capacity building of DoI&C; and TIDCL on financial, technical, safeguards, gender equality and social inclusion (GESI), procurement aspects, supporting in sector analysis, and developing the institutional strengthening and capacity development component. It will (i) review institutional capacities and current operation and maintenance practices; (ii) outline reform actions and scope to arrive at industrial development planning and processing framework/ mechanism under the ensuing loan, (iii) outline scope of institutional strengthening component of the ensuing project for sustainability of assets; and (iv) support planning, design, implementation, and management of PRF outputs, and ensuing project.

## ENVIRONMENTAL AND SOCIAL INFORMATION

Since the proposed activities consist of consulting services only, activities have not been categorized in accordance with ADB's Safeguard Policy Statement (2009). The scope of the ensuing project will likely be in and around 15 industrial estates in six districts of Tripura. The detailed design will be prepared with consideration given to (i) minimizing the interface with any national parks, wildlife sanctuaries, or any other environmentally sensitive areas; (ii) minimizing the impact on resettlement

### ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
