Project Description

According to the Bank's website, the knowledge and support technical assistance (TA) will develop a set of technical, institutional, and policy tools to improve access to water, sanitation, and hygiene (WASH) systems for the most underserved communities and populations, including women, vulnerable groups such as children and people with special needs in seven countries within the Central Asia Regional Economic Cooperation (CAREC) region and Caucasus.

Investment Description

- Asian Development Bank (ADB)

Contact Information

No contact information provided at the time of disclosure.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
