Southeast Asia Aviation: COVID-19 Impact and Short-term Strategy

### **Project Description**

According to the bank's website, "the regional technical assistance will carry out a landscape study of aviation industry for the Southeast Asia region, covering pre COVID-19 development and COVID-19 impact, and forecasting the passenger and freight demand in different recovery scenarios with recommended policy and strategy. Events such as workshops and seminars will then be organized to present and share the initiatives to the stakeholders in DMCs."

#### ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

#### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
