Project Description

According to the Bank's website, the project will support to improve municipal infrastructures and governance of the selected project municipalities, thereby contributing to achieve inclusive economic growth and improved livability. This will be achieved through the following three outputs: (i) municipal infrastructure for resilience developed (Output 1); (ii) Tourism assets revitalized and managed (Output 2); and (iii) capacity of municipalities, provinces and Department of Urban Development and Building Construction strengthened (output 3). The project will support eight municipalities (Pokhara, Janakpur, and a cluster of six municipalities includes Devdaha, Lumbini Sanskirtik, Ramgram, Sainamaina, Siddharthanagar, and Tilottama).

Early Warning System Project Analysis

Initial screening using ADB's rapid environmental assessment (REA) checklist was conducted for the subproject and results of the rapid assessment show that the project is unlikely to cause any significant adverse impacts, and therefore classified under Category B per ADB SPS.

Investment Description

- Asian Development Bank (ADB)

The government has requested (i) a concessional loan of \$160.0 million from ADB's ordinary capital resources, and (ii) a grant not exceeding \$6.0 million from ADB's Special Funds resources (ADF 13 Thematic Pool) to help finance the project. The loan will have a 32-year term, including a grace period of 8 years; an interest rate of 1.0% per year during the grace period and 1.5% per year thereafter; and such other terms and conditions set forth in the draft loan and project agreements.

Government of Nepal: \$41.5 million (Includes government counterpart funding of \$30.4 million and municipalities' counterpart funding of \$11.1 million)

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
