Project Description

According to the Bank’s website, the knowledge and support technical assistance (TA) for Improving Capacity for Home-Based Hospice Care of the Elderly in Beijing will support the People's Republic of China (PRC) in improving access, capacity, and service coordination of the home-based geriatric hospice care system and services by developing policy recommendations, home-based hospice care needs assessment and clinical practice guidelines, and admission and referral guidance notes for home-based geriatric hospice care.

Investment Description

- Asian Development Bank (ADB)

Contact Information

Responsible ADB Officer: Mamatkulov, Raushanbek

Responsible ADB Department: East Asia Department

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
