Project Description

According to the Bank’s website, the knowledge and support technical assistance (TA) will improve the financial sustainability of the Uzsuvtaminot Joint Stock Company (UJSC), the national agency managing and developing Uzbekistan's municipal water supply and sanitation (WSS) sector and the capacity of the executing agency for WSS projects funded by the Asian Development Bank (ADB). The TA will support UJSC in (i) preparing climate-resilient and carbon-neutral midterm and long-term investment plans, (ii) strengthening debt management capacity, and (iii) improving its governance and institutional capacity. It will support the government's public financial management and medium-term debt management strategy, while improving WSS service delivery across the country.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
