Project Description

According to the ADB website:

The regional knowledge and support TA will put in place the enabling conditions to increase and accelerate nature-positive investments (NPI). The TA will strengthen ADB's business processes, metrics and governance for NPIs and provide DMCs with the required institutional capacity to integrate nature into national strategic planning, development and investment decision-making processes. The TA will support knowledge generation and sharing to provide an evidence-based model for enabling technical solutions for NPI.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
