Project Description

According to bank documents:

> The knowledge and support technical assistance (TA) will support (i) the establishment of the water and sanitation regulatory authority to improve the operational and financial sustainability of the water and sanitation service providers; and (ii) the capacity development of the Local Government Division (LGD) of the Ministry of Local Government, Rural Development and Cooperatives (MoLGRD&C;), water utilities, local governments, and private operators to understand the regulatory function. The TA was requested by the government (para. 6) and is included in the Indicative country pipeline and monitoring report for Bangladesh, 20222024. The TA supports the Asian Development Bank's (ADB) country partnership strategy for Bangladesh, 20212025, and is consistent with the government development planning.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
