Investment Amount (USD)	\$ 1.00 million

Project Description

According to the ADB, the proposed South Asia Subregional Economic Cooperation Dhirasram Inland Container Depot (DICD) Project will support construction of a new inland container depot in the north of Dhaka with direct rail link to Chattogram Port and Indian borders. The project will apply the public-private partnership scheme where a concessionaire will finance construction of the superstructure of DICD and procurement of cargo handling equipment, and will be responsible for operation and maintenance. The Asian Development Bank will finance construction of the substructure of DICD.

Investment Description

- Asian Development Bank (ADB)

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
