## Project Description

According to the Bank's website, the TA will provide strategic support to enhance DMC and ADB capacity to implement differentiated approaches in fragile and conflict situations (FCAS) and in small island developing states (SIDS). Based on assessment of the causes and drivers of fragility and the multidimensional nature of risks and resilience factors, it will develop and apply new knowledge products, analytical tools, and business processes and procedures, adopt innovative technologies, and recruit experts experienced in these technologies.

### ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
