Investment Amount (USD)	$ 0.70 million
Project Cost (USD)	$ 0.70 million

Preparing the Climate Resilient Connectivity for the Eastern Economic Corridor Project: the Intercity Motorway No. 7 (Extension to Link with U-Tapao Airport)

Project Description

According to the Bank’s website, the TA will support the government in preparing feasibility study on ensuing project with a coordination with TA 9621-REG. While TA 9621-REG will be focusing on suggesting solutions for making the project Paris Agreement aligned from climate change perspectives, the TA will carry out analysis of safeguards, economic and financial management, and gender aspects of the proposed project. The TA will provide guidance and support needed for the Department of Highways in shaping climate resilient technical solutions and preparation of the project implementation.

Investment Description

- Asian Development Bank (ADB)

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
