### **Project Description**

According to the Bank's website, the knowledge and support TA will support the capacity of DMCs to deliver on the goals of the Paris Agreement, particularly strengthening the integration of country long-term climate objectives in ADB country dialogues and country programming strategies. This will increase capacity to identify upstream pipeline of operations that are consistent with low-greenhouse gas emissions and climate-resilient development pathways, and therefore aligned with the Paris Agreement.

Responsible ADB Officer: Ellermann, Christian (Sustainable Development and Climate Change Department)

### ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
