Project Description

According to the Bank’s website, the proposed knowledge and support TA will initiate activities under the Just Transition Support Platform to enhance the enabling environment for a just transition of ADB's DMCs to low-carbon and climate-resilient economies and societies. The TA will build DMC capacity to understand, strategically implement, and finance just transition, contributing to the achievement of their commitments under the Paris Agreement and the Sustainable Development Goals. It will also develop ADB operational approaches for just transition and ensure alignment of bank-wide just transition activities with the MDB Just Transition High-Level Principles, and support ADB Strategy 2030 vision of a prosperous, inclusive, resilient, and sustainable Asia and the Pacific.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
