Project Description

According to the ADB, the primary objective of the proposed program is to improve the enabling environment for small and medium-sized enterprises (SMEs) and entrepreneurship development, digital transformation, tax administration and compliance, green economic development, diversification, and competitiveness.
The program is aligned with the country's long-term National Development Strategy 2030 (NDS 2030) and Green Economy Development Strategy (GEDS) for Tajikistan. It includes reforms to strengthen SMEs and promote climate-responsive investments, promote digitalization, strengthen public investment management to align with national development and climate objectives, and trade facilitation. By addressing these dimensions of the enabling environment for business development, the program seeks to promote green job creation and
economic diversification, strengthen climate-friendly business opportunities, and enhance overall competitiveness.
