Project Description

As stated by the ADB, this activity will finance program preparation activities for the \$39.5 million Skills Development System Transformation Program planned for ADB Board approval in 2026, namely:

- (i) program due diligence, including seismic engineering resources and assessments on disaster risk management, climate change, safeguards, and economic and financial aspects;
- (ii) the detailed engineering design (DED) and bidding documents for civil works; and
- (iii) institutional readiness support and program coordination, which includes institutional mapping and capacity assessment, stakeholders engagement and capacity development plans. This will ensure the program's readiness and timely start-up, avoid unnecessary delays, and thereby increase efficiency.

The total estimated budget for this activity is \$1.25 million (comprising ADB's share of \$1.0 million and the government's share of \$0.25/million).

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
