### Project Description

According to the Bank's website, the objective of this project is to support the preparation of the CAREC Corridor 3 Manas-Osh Road Reconstruction Project (Bishkek-Osh road, section Manas - Uzgen bypass road - Osh)

This Activity will prepare the CAREC Corridor 3 Manas-Osh Road Reconstruction Project (Bishkek-Osh road, section Manas - Uzgen bypass road - Osh). It will finance consulting services to carry out a feasibility study, detailed engineering design, technical due diligence, and the preparation of project documentation, including safeguard, gender, poverty, bidding, and climate risk assessments. These preparatory steps will ensure that the project is technically sound, environmentally and socially compliant, and ready for future ADB financing and implementation, thereby contributing to improved mobility, trade, and economic integration in the region.
