ADB-57092-001

Regional: Strengthening Policies on Climate Change in Asia and the Pacific through Economic

### **Project Description**

As stated by the ADB, the TA cluster will support economic and policy research on climate change, including a flagship report on strategic climate issues in the region, development of a climate change knowledge and resources online portal, and climate-related knowledge sharing and capacity building events through the OneADB approach, as well as collaboration with external experts. The TA will cover ADB's DMCs.

#### **Contact Information**

#### **ADB Team Leader:**

Yi Jiang - Principal Economist

No contacts provided at the time of disclosure.

#### **ACCESS TO INFORMATION**

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

#### **ACCOUNTABILITY MECHANISM OF ADB**

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
